Balancing Resource Use and Conservation

PVER-South

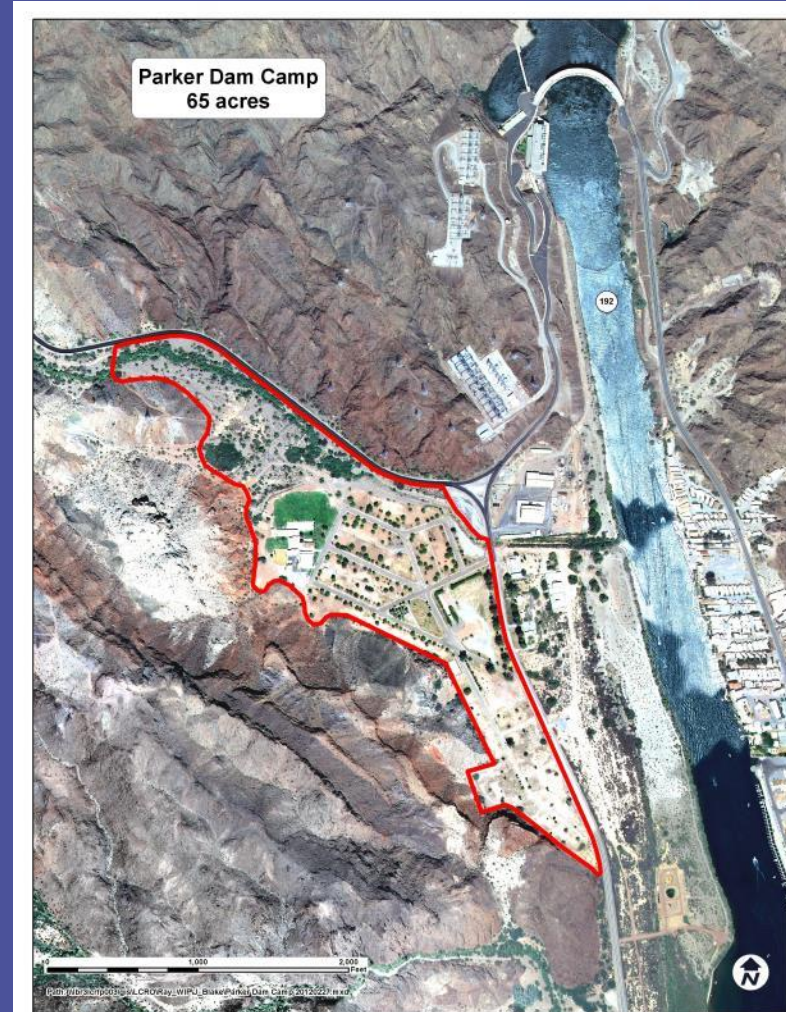

Lower Colorado River Multi-Species Conservation Program

Balancing Resource Use and Conservation

Parker Dam Camp

Lower Colorado River Multi-Species Conservation Program

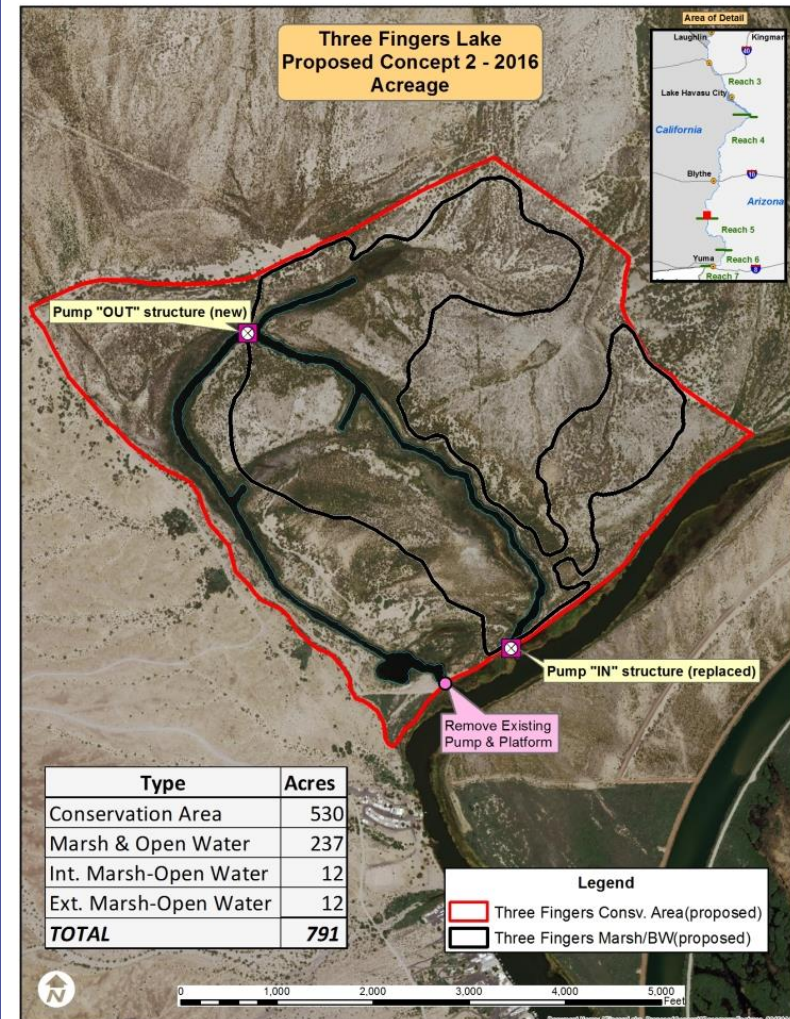

Balancing Resource Use and Conservation

Three Fingers Lake

Target Land Cover Types

-48 acres of backwater

-150 acres of marsh

Lower Colorado River Multi-Species Conservation Program

Balancing Resource Use and Conservation

Conservation Area Fires in 2016

Phase 1 at Cibola Valley Conservation Area
(20 acres)

March 2016

Mohave Valley Conservation Area
(2,200 acres)

April 2016

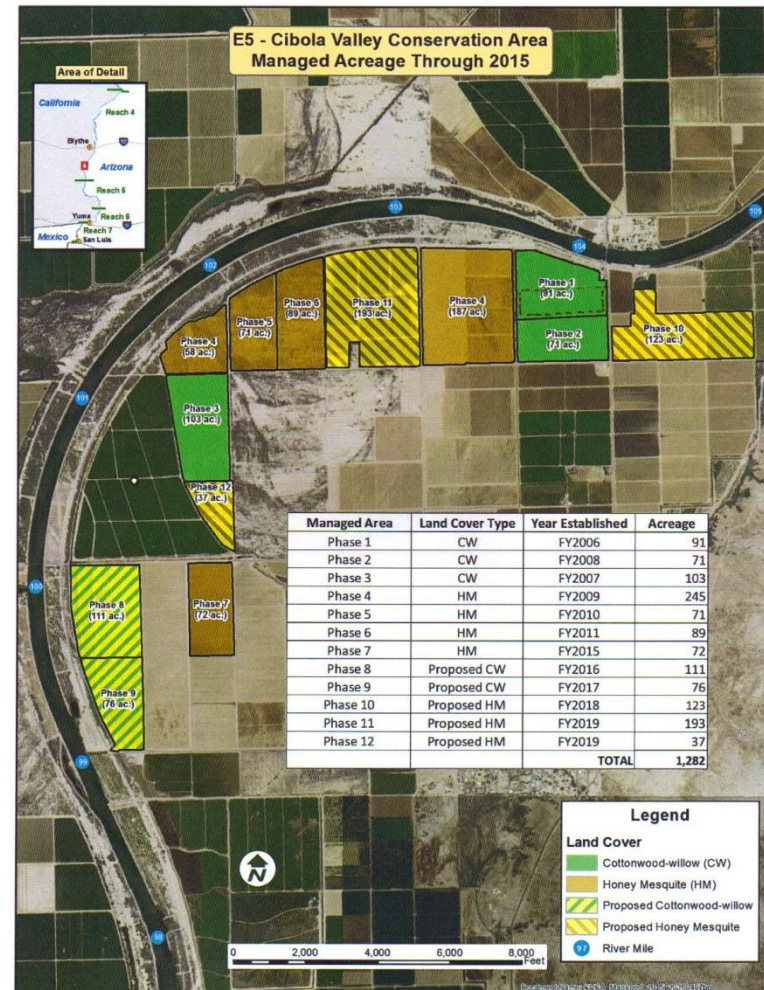

Lower Colorado River Multi-Species Conservation Program

Balancing Resource Use and Conservation

Cibola Valley Conservation Area

- Conservation area 1309 acres
- Phase 1 = 91 acres
- Red dashed polygon = 45 acres
- Fire = 20 acres
